If you are reading this then you are already well on your way towards improving the intimacy, passion, communication, and sex in your relationship. We truly applaud your continued dedication to enhancing this area of your personal life.

Remember that it is best to watch this presentation *with* you partner, and to watch it *more* than once. Now that you are familiar with the concepts and ideas presented in *Gott Sex?* we encourage you to really work together on our seven tools. Try to be open-minded and patient. Research has shown that small changes made often will create big positive results over time.

If you would like to find out about additional resources we offer for couples, parents and families, including couples workshops (presented live and on DVD), books, DVD's, CD's, audio download files, therapy referrals, relationship quizzes and more, please visit us at www.gottman.com.

Lastly, remember to take a look at our *Gott Sex Blog* and the *Additional Resources* page for a variety of great bonus material and information on the individuals that were featured in this presentation.
